Electrolux benefit counters

Remote refrigerating unit

The Electrolux range of benefit counters combines the convenience of worktop space with cold storage. The models detailed on this sheet are benefit counters with a remote refrigerating unit and with various combinations of doors and drawers.

Model 726203

CONSTRUCTION
- Internal and external doors, front and side panels and removable worktop (50mm thick) in 304 AISI stainless steel.
- Back in galvanized steel.
- Insulation guaranteed by high density expanded cyclopenthane 50 mm in thickness.
- Legs (150 mm high) in 304 AISI stainless steel with plastic interior and adjustable in height.
- CFC and HCFC free.
- All models comply with the standards required by the main international approval bodies and are H marked.

PERFORMANCES
- Digital control panel allowing the easy and precise setting and control of the internal temperature.
- Completely automatic defrosting.
- Forced air cooling system guaranteeing great uniformity of the temperature in the counter and excellent conservation of the food quality.
- Operating temperature: -2/+10°C.
- Refrigerant gas R404a.
- Possibility to install on socklet.
- Kit with 1/2 sized drawers available as accessory.
- The refrigeration unit can operate in tropical climates (+43°C ambient temperature).
- High standards of hygiene and ease of cleaning are guaranteed by the rounded internal corners of the cabinet and easily removable runners and grids (without the use of tools).
- The door self-closes when opened less than at a 90° angle and is equipped with a door seal to guarantee perfect closure.
